No. 005

April 15, 2005

Revised/Corrected Software License Agreement

The Software License Agreement has been revised. The agreement was revised to correct the following two typographical errors:

1. The software license agreement began the list of clauses with number "2" instead of number "1"; and
2. There was no provision "c" listed in the Special Provision section of the agreement. The following provision "c" has now been added.

c. THE DEPARTMENT DOES NOT WARRANT OR GUARANTEE THE RELIABILITY OF THE SOFTWARE AS A SUBSTITUTE FOR SOUND ENGINEERING JUDGEMENT.

The revised agreement can be accessed in the ordering forms located at the website <http://bradd.engrprograms.com>.
