New e-Notification Server / Email Address

On 6/23/2020 the PennDOT BRADD e-Notification system will be moved to a new server.

This is the last e-mail you will receive from the **old** server penndot-bradd@listserver.bakerprojects.com.

The **new** e-Notification server will use the following e-mail addresses:

- penndot-bradd@listserv.bakerprojects.com – send questions to the list
- penndot-bradd-subscribe-request@listserv.bakerprojects.com – send blank e-mail to subscribe
- penndot-bradd-unsubscribe-request@listserv.bakerprojects.com – send blank e-mail to unsubscribe

In the **new** e-mail addresses, “listserver” now becomes “listserv”.

Action Items:

Starting on 6/23/2020, if you want to continue to receive e-Notifications you will need to renew your subscription by sending a blank e-mail to penndot-bradd-subscribe-request@listserv.bakerprojects.com to subscribe to the new server. You must then reply to the confirmation e-mail with “OK” in the body of the message to complete your subscription.

If you do not see the confirmation e-mail in your Inbox, please look for it in your Spam or Junk E-Mail folder. If you locate the confirmation e-mail in your Spam or Junk email folder, then it is recommended that you add a rule to your e-mail software to allow all e-mails from “@listserv.bakerprojects.com” to be delivered to your Inbox.

Please direct any questions concerning the above to:
